REPLY COMMENTS TO  
PETITION FOR RULEMAKING

Smoke and Mirrors LLC ("Petitioner"), permittee of KVYL(FM) Cal-Nev-Ari-, NV (FCC Facility ID # 164263) hereby submits its reply comments in the above-referenced proceeding. On September 28, 2007 Petitioner re-confirmed its intention to pursue its amendment of the FM Table of Allotments as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Peach Springs, AZ	285C3	268C3

On October 1, 2007, a counterproposal was filed by Greenlight Media LLC ("Greenlight") in which it proposes to allot a second local service at Cameron, AZ on Channel 268C1 at the following coordinates: N35-51-59, W111-24-57 (NAD27). This counterproposal conflicts with Petitioner's proposal to allot 268C3 to Peach Springs. However, Greenlight contends that the FCC can grant both proposals by substituting 281C3 at Peach Springs instead of 268C3.

In the interest of expediting this proceeding, Petitioner will not oppose Greenlight's counterproposal if the FCC can implement it with Petitioner's proposal being changed to 281C3. However, if that counterproposal is defective, then Petitioner re-asserts its desire to have channel 268C3 allotted.
